

Push Back on Anti-Semitism with Love and Matzah

You have a role to play in the fight against hate and anti-Semitism. Almost every North American, regardless of their political or cultural background, believes in mutual respect and understanding. It's our responsibility to act with them through Tikkun Olam — healing our corner of the world.

Take action next Passover by participating in 2 for Seder:

- Invite two acquaintances of another faith to their first family Seder at your home.
- Bring two acquaintances of another faith to a Community Seder in your area.

2 for Seder is a national event held in memory of Joyce Fienberg, who was one of 11 murdered at the Tree of Life Synagogue in Pittsburgh while praying during Shabbat. Her kindness and generosity inspired this event.
